Willamette Week Media Kit

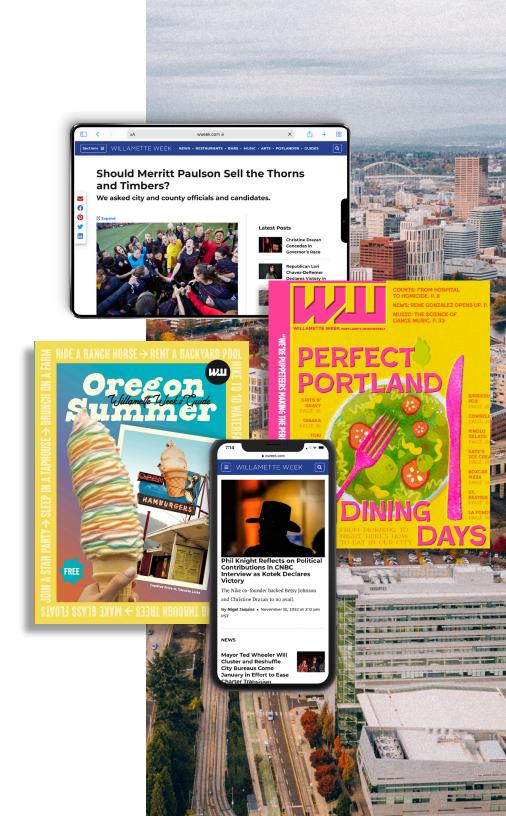

ABOUT US Willamette Week

We cover Portland like no one else. Everyday on wweek.com and in our weekly paper our team of journalists is telling stories that make a difference. Breaking news, performing a watchdog role, having an impact—that's the driving force behind our news coverage.

We are cultural influencers. We spot trends, showcase the best in Portland's food, drink, music and cover the arts scene with a passion. We publish three annual glossy magazines on regional travel and home lifestyle in Portland, reaching new transplants.

And we connect with our community, beyond the written word. Each year, we produce events that celebrate the best that this region has to offer: emerging comedians in Funniest Five, Best New Band, The Oregon Beer Awards and Candidates Gone Wild.

We also operate a charitable effort that has raised more than \$48 million for local nonprofits since 2004, and we are the only weekly newspaper ever to have won the Pulitzer Prize for Investigative Reporting.
